Gill introduces Muni Continuity

Gill Advisors Inc. has launched 'Muni Continuity', a web-based risk management product structured as a set of methodologies that enable local governments to develop business continuity planning and emergency management programs. www.municontinuity.com

Bomb hoax in Bangalore results in 50,000 man-hours lost

The Hindu has reported that around 18,000 employees of 110 different IT and BPO firms were evacuated from the International Technology Park Ltd (ITPL) at Whitefield, Bangalore, following a bomb scare on Monday afternoon. ITPL authorities had received an e-mail around 3 pm stating that explosives would go off at one of the offices housed in the park. [Read the story](#)

VoIP Forum

The Australian Communications Industry Forum will host a VoIP Forum in Sydney on 6 December. The forum will focus on provider cooperation, including support, fault handling, billing and security of VoIP. www.acif.org.au/projects/seminars
